

*You play the mouse, i'll play the cat, bruises and cuts,  
made honey and milk.*

*You kiss me, i'll dream, candies and hugs,  
left dust and blood.*

*In the Dolls House I lied.*

*In the Dolls House, you smiled.*

*Take a portion of that dream,*

*see it under a microscope,*

*until a blanket of mold warms it.*

*Dream, love, kiss, lie. Sing, smile, hit,*
